The ceremony was conducted by John Hurd, president of the NHS. Frank Nakamura gave the history of the society. After John had lighted the Torch of Knowledge, the members brought the new members from the audience. The inductees were given candles, which they lighted from the Torch of Knowledge. They then repeated the NHS pledge. Following the induction, Doctor R. B. Patin gave a talk on the high scholastic standing of Narimasu.

### STUDENTS ENTERTAIN PATIENTS AT TOKYO ARMY HOSPITAL

On Monday, the 18th of February several students from Narimasu participated in a hospital party at Tokyo Army Hospital sponsored by the FEAF Wives Club. They performed in three separate wards: Ward 2, Orthopedic; War 6, Neuro-Surgery; and Ward 18, General Medicine.

The participants were met at the hospital by Mrs. Fulcher who was in charge of lining up the talent for the show. They were then introduced to the Red Cross ladies in charge. Refreshments were served to the patients during the program.

Those who participated are: Bob Haller—piano solo—"Military Polonaise"; Norman Nord—accordion solo—"Sharp Shooters March" and "Autumn Leaves"; Nona Parker—comedy pantomime—"Goofy Goose"; Linda Simms—piano solo—"Fantasie Impromptu"; Charlotte Free—solo—"You'll Never Walk Alone"; Sue Maxson and Veronica Randow—song and dance—"Rock-A-Beatin' Boogie"; and Judy Hubbard—solo—"Smile". ### ASSEMBLY

Thursday, the fourteenth of February, the Junior Class sponsored an assembly of Japanese dancing in the gymnasium. Mr. DeReimer made arrangements for the dancers and Mr. Beshearse made arrangements for the Veterans of Foreign Wars to be present.

The dancers were Miss Hiroko Nakamura and Miss Mitsue Kabuta. They did three very interesting and educational dances; the first was a spring dance which showed the dancers interpretations of the elements of nature and the beauties of spring. The second was the story of two tramps who went sightseeing at the Shrine. The third dance was the story of a mother lion who wanted to test the strength of her cub. She kicked him down hill and he crawled back up to prove his strength to her.

Other things of interest at the assembly included an educational and friendly talk by Chaplain Fisher and a piano solo by Bob Haller.

### P. T. A.

The 18 February meeting of the Narimasu Chapter of the Parent-Teachers Association, held in the High School gymnasium at 1930 hours, featured a panel discussion by a group of Narimasu students on "Bringing Up Adults." The meeting was the second in a series of two on the topic, "Forum on Youth."

Members of the panel were Joan Williamson, Ruth Dills, Eddie Cooper, and Roger Hoffman. Peter Beneville was the moderator. Some of the issues discussed were dating, parent-teenager activities, religious foundations, and group pressure on the delinquent.

### THAT STAINED GLASS LOOK

Miss Leman's geometry students have been feverishly drawing, cutting, and decorating the stained glass windows which are decorating our rotunda. The first step in the process was drawing a ten-by-twelve inch model of the finished product. It was then transferred onto twenty-by-twentyfive inch pink paper. This in turn was transferred onto black paper and cut out with a razor. Colored paper was then pasted on and the window was complete.

### WHO'S WHO

## MARCH 4th, AS HONORED IN OUR LIVES

The United States Constitution was adopted one hundred and sixty years ago last week. This is also the date on which George Washington became our first President. We have used well, the tools that our forefathers presented to us, and have made our country into one of the best, if not the most influential in the world, as was evidenced and echoed in the 700 essays on Americanism recently written by our student body.

## LETTER RECEIVED FROM VISITING RED CROSS CLUB

On February 13th the Taito Junior Red Cross sent a letter to us expressing their appreciation for the visit. The letter states:

February 13, 1957  
Wednesday

Dear Sir:

We warmly thank your for the kindness you showed us when we visited your school. We of the Junior Red Cross all send our heartiest thanks,

We appreciated this opportunity to promote friendly relations between our two schools and hope in the future to advance with philanthropic interest of Red Cross work.

We'll communicate with you by letter about our Junior Red Cross activities, and hope for more exchange visits.

Sincerely yours,  
Taito Junior Red Cross

## STUDENT COUNCIL HAS VARIED ACTIVITIES

The Student Council has organized a committee to work in conjunction with the administration to set up the activity meeting schedule for special period. It is to be arranged so that few activities which overlap each other will meet on a given day.

For the tournament this year, the Student Council made up a hand book which contained telephone dialing instructions, locations and hours of the post exchanges, officers', NCO and teen clubs and chapels in the Tokyo area for the conveniences of the visitors, to the tournament, who might have needed such information.

This month the Student Council will launch a school-wide contest for a Narimasu motto. After a motto has been chosen, there will be another contest for a school seal design. The seals will be used on all Student Council stationary and on other official papers of the school and as decorations for assemblies and other types of meetings.

If you have any questions or suggestions pertaining to your student government, do not fail to bring them to the attention of your class representative. Student Council meetings are held every Tuesday afternoon during special period in room 941, and you are all welcome to sit in on the meetings.

## THE G.A.A. BOARD MEETING

The last G.A.A. board meeting was held Wednesday, February 25th, during Special Period and the general meeting for all club members was held Wednesday March 6th. Badminton and Table Tennis Tournaments were discussed.

If you are interested in joining G.A.A. come to the April meeting in Room 213; all girls going to N.H.S. are eligible to join. We will be planning our softball and tennis tournaments—so how about coming out and joining one of the most active clubs in the school? We know you will have fun and also learn to play some games and meet some of the other girls at N.H.S.

## G. A. A.

The G.A.A. has been very busy these last two months. They have been planning their own basketball tournament and also the "big" basketball playday held on Saturday, February 16th with Meguro, Sacred Heart and Yokohama. Thanks are in order to all the committee members and especially to Ruth Dills, vice-president, who filled in for Wistaria Nakamoto—for the lovely job they did at the playday. All the girls seemed to enjoy themselves very much. Yokohama came out with top honors on the winning side with the Orange team a close second. Meguro was the top team on the loser's side with the Brown team coming in second. All members of the Yokohama and Meguro took home white first place ribbons; while the members of the orange and brown teams took home second place ribbons which were blue.

## ORCHARDS AND THISTLES

D. C. has found a new friend at Yo-Hi. His name is Bucky.....

Did you hear about the bellboy who got fired for spreading a rumor.....

Odd as it may seem, nobody wants to talk about the party at Washington Heights on Saturday the 6th. Quite a few kids went there. Chesmore and Clark anyway.....

The Tachi Girls Club had an **expensive, successful**, party last Friday, the 15th.....

Well, Well, so it has been nine whole days since L.B. has received a letter. But he sounded so faithful Lin. And OOOOH that diamond!!!

All the "noise" at Yokota A.F.B. Friday the 22nd, was coming from D.D.'s house. Some party!!

What is it with this "new" club from Wash. Heights? It's such a secret that there's no telling who the members are. Joan? Pat H? What did you say the **name** of it was????

After approximately 9 or 10 dates D.J.'s boyfriend finally kissed her. I might add it was well worth waiting for from what she tells me!!!

More trouble with that '56 DeSoto huh, Nancie?

Saturday, the 23rd, a party was held at Palace Heights, given by Sue Maxon. It was fairly successful.

Only one small misunderstanding!!!!

The behavior of some of the students of N.H.S. in the Grant Heights Special Services Library is reported as that not becoming to a teen-ager.

It is a black mark to the rest of the school for any of our students to mis-behave in any public place.

"If the shoe fits wear it."

## HUMOR

Elmer Smurd was a tense, troub'ed businessman who broke away from the cares of the office for a half hour one day and went into a near-by park where he fed peanuts to the pigeons.

The next day, still feeling the need to relax, the man went back to feed the pigeons again. After that, every day for a month, Elmer returned to the park and fed the pigeons peanuts.

And today that park has the fattest pigeons in the world.
