# SNO-BALL TONITE SPIRIT OF CHRISTMAS

Christmas spirit is the spirit which brings a smile to the lips and tenderness to the heart; it is the spirit which warms one into friendship with all the world, which serves one to hold out the hand of fellowship to every man and woman, to every boy and girl.

The Christmas motto is, Peace On Earth, Goodwill to Men," and the spirit of Christmas demands that it ring in our hearts and find expression in kind-'v acts and loving words.

What a joyful thing for the world 't would be if the Christmas spirit ould do this, not only on that holiday, but on every day of the year. What a beautiful place the world would be 'o live in! Peace and good-will everyvhere and always! Let each of us resolve that, so far as we are concerned, peace and good-will shall be our notto every day, and that we will do our best to make the Christmas spirit 'ast all the year around.

## N.H.S. OFFICES REDECORATED

The administrative area of Narimasu High School has been redecorated. The confusion and inconvenience of working "mid pounding, plastering and painting" have been forgotten in the luxury of space and beauty achieved.

To the right of the rotunda is the antercoom to Mr. Marshall's office, made bright with trophies of N.H.S. athletic and academic awards. Mr. Marshall's office is attractive with green drapes and art work, executed by students. The over-stuffed chairs in his office are also the same shade of green as are the drapes plus a pleasing shade of light green walls.

The central office is larger than formerly and the secretaries can easily assist students. Mr. Martin's office also boasts new decorations and drapes, and is a cheerful place in which to dispense help and information from college bulletins to behavior habits.

Thanks go to Mr. Hoffman and Mr. Marshall for the original plans of the revision: to the Japanese workmen; to Mrs. Curtis and the Home Arts students for creating the lovely drapes; to Mr. Browne's pupils for 'oaning art work; and to all of us for helping to win trophies through the vears.

No longer need the office be a place to be summoned in fear and trembling. Let its new look inspire in each student a new pride in being a part of

our school.
